

Trailer Fleet Services

Busy CEOs and CFOs understand that operating trailer fleets more efficiently can boost productivity just when its needed most. GE can help connect the dots into a total fleet management strategy that brings together the best of leasing, remarketing, asset tracking, maintenance and rental.

Our commitment is to deliver innovative solutions to tackle your toughest trailer fleet management challenges. When you work with Trailer Fleet Services from GE, you gain an industry leader dedicated to making your trailer fleet more productive and better utilized. And as a trusted supplier to the trucking industry for more than 50 years, you can count on us to put our expertise to work for you.

Acquire Trailers

Maintain the right fleet mix with Trailer Fleet Services'

extensive equipment offering. Readily available: dry vans, postal vans, reefers, moving and storage vans, flat beds, liftgates, refrigerated storage, and dry storage vans. All available for purchase, rent, or lease.

Leasing & Financing

Our financial programs can help you reduce capital expenditures for improved cash flow, blend operational flexibility with lower rates, and manage short-term and seasonal demands.

VeriWise™ trailer tracking

We offer both satellite and cellular trailer tracking technologies with a host of sensor options, allowing you to make informed decisions to locate lost or stolen trailers, put idle equipment and operators back into service, and verify billing activity. In addition, our web based management tool gives you 24/7 access to your fleet, eliminating the need for time consuming manual searches and driver call-ins.

Maintenance Services

Don't lose focus on your business because you're maintaining trailers, let us do the work for you!

Get comprehensive coverage through a nationwide network of experts to help you decrease maintenance expense and increase asset utilization.

Remarketing

Manage your trailer supply and demand with ease— leverage

Trailer Fleet Services' expertise and dedicated Trailer Sales Showrooms to assist you.

When you need to locate quality used equipment, sell your trailers at the best price, or upgrade your existing fleet for new equipment, let our professional representatives solve your asset management worries.

Total Fleet Management

As a single source provider, we're uniquely qualified to be your partner in trailer fleet management success. For an integrated approach to trailer fleet management, turn to Trailer Fleet Services from GE.
